Lorhainne Eckhart is a very prolific and talented writer. Get to know her work, you won't regret it. - Karen The focus on a woman taken was a very classic ideal because it was set in a military arena. The next book in this series is so so hard to read and it places him in an even worse light, but again I must say it's a very good story and one that I believe sheds an important light on an issue that usually falls under the heading of out of sight, out of mind. I wait impatiently for the third installment in this series to see where the author takes these characters and this issue, this book is worth the time and money to read -...
