Express Yourself with JavaScript: Learn by Video: Lessons That Take You Beyond the Basics

By Ben Jaffe

Pearson Education (US), United States, 2014. DVD-ROM. Book Condition: New. 190 x 135 mm. Language: English . Brand New Book. This critically-acclaimed interactive training program offers exceptional quality high-definition video to take you beyond the fundamentals of Javascript. Including 3 hours of video tutorials, the course comes complete with lesson files, assessment quizzes, and review materials. Expert instructor Ben Jaffe builds on a user s basic knowledge of Javascript, going beyond the fundamentals of variables, loops, and functions, to delve into higher level topics like how JavaScript is used by libraries and frameworks. Instead of focusing on just one specific application of JavaScript, Ben teaches general concepts that can be applied to any type of project, whether it s development of websites, online games, or desktop and mobile web apps. The training culminates with basic projects that tie all of the features in the video together. You will get a taste of server-side code with Node.js, and learn how to dive into using a front-end JavaScript framework. At the end of this course you will feel empowered to read source code and write more efficient and succinct code. The video is wrapped in a unique interface that allows you to...
