Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which it basically changed me, modified the way I really believe.

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Indian Institute of Architects (IIA) is the national body of Architects in India with more than 20,000 members. IIA hosts two national events namely National Conference and Young Architects Festival every year in different cities and states of India. These events provide a platform to deliberate upon the various relevant issues concerning the profession. In April 1934 the first quarterly journal was published and since then it has continued to be one of the most important features of the Institute. Later...
