These two bickering clouds watch with interest as an angry crowd below demand their Lady Mayor cleans up the air. The imaginative and strong minded Mayor is about to embark on a mission to change both the lives of the people and the clouds with excellent results for everyone. Two Clouds and a Cough is a beautifully illustrated tale focusing on weather, the environment and some clever snippets of science. The learning pages highlight the science behind air pollution and how to read different types of measurements such as temperature and air quality.
