CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 278 pages. Dimensions: 7.6in. x 5.0in. x 0.7in. Fifteen year old, Danni, isn't a natural heroine, more of an anti-heroine. Everything terrifies her; sports day, a school phobia and especially the dark. Danni has always been frightened of the dark; but she doesn't know there is good reason for her fear, until she moves to Edinburgh. As soon as she meets James MacAbre with his perfect face; fair hair and soft Scottish lilt, he draws her gaze like a lit Christmas tree in a darkened room. He is film star gorgeous and she immediately mistrusts him because of those exceptional looks. The boy will not be shaken off, he appoints himself as her guardian and follows her everywhere. An avid reader she quickly works out, he has dark secrets and is not your average fifteen year old boy. She is half-determined, half-frightened, to discover the truth about him. What type of immortal is he? How much trouble are they already in and is it too late to turn back? Against Danni's better judgment James becomes vitally important to her. Danni is sure James has a black secret beneath his golden good-looks but is not certain she is brave enough to uncover the truth. Danni can sense that those around are lying to her. Too late; Danni begins to understand that she is already wound into the spiraling sequence of terrifying events. Frightened to admit to herself how deeply she cares for James. Danni doesn't realize the depth of the danger, she and those closest to her are facing, so Danni chooses to hide under the bed rather than fight. Her deepest fear has always been losing James and it might already be too late to...
