Physicians are cordially invited to send suitable patients for treatment who are deserving and who are able and willing to fulfill all the requirements for membership in the class. Patients who reside elsewhere than in the Borough of Manhattan and the lower Bronx are unable to obey the rule requiring all patients to report at the rooms twice a day (no exception is made because of weather), and are therefore ineligible. The object of this and previous reports is to show that uncomplicated pulmonary tuberculosis occurring in working people is curable in the home climate by dispensary methods, without interruption to their work. That this result is accomplished by careful attention to the details of daily life, particularly in the matter of fresh air and sunlight, diet and, in so far as possible, the regulation of exercise. No medicines, except cathartics, are employed. These patients are working people and must continue to work while under treatment in order to obtain means of livelihood. This is an unchangeable condition. The treatment of their disease is ever secondary to the struggle for subsistence. How to obtain the greatest number of hours of fresh air and sunlight, what to eat, when to eat, how much to eat, how to regulate exercise and still continue to work, must be determined by...
