Reviews

Without doubt, this is actually the greatest work by any writer. It is actually written in simple terms instead of confusing. I found out this ebook from my i and dad recommended this pdf to understand.

SLOW PROGRESS (PAPERBACK)

Blurb, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Occasionally some things appear to take an eternity to reach fruition. Unfortunately this is not the case for Jonathan Mori s innovative, compelling, humorous, insightful, incisive, and otherwise unorthodox collection of poems that relate all the pain of stifled hopes and expectations in one neatly finished and promptly delivered package. Although it should be taken to be an independent work in its own right, Slow Progress revisits and echoes many themes from the previous collection Passage of Something, with the author becoming more a participant rather than a passive observer in an exploration of a world driven by often puzzling and disturbing forces.
