Reviews

The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.

Taylor Francis Ltd, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. Written to meet the needs of teaching assistants and learning support assistants, this book provides a practical toolkit for supporting students on the autistic spectrum in mainstream secondary schools. The book offers a clear, jargon free explanation of autism spectrum conditions and examines the difficulties arising from these conditions and how they can impact on students learning. Addressing issues which arise on a daily basis, it is full of practical advice and strategies for supporting students socially and academically across all areas of the curriculum. Features include: * templates to scaffold students comprehension and learning in different subject areas * forms to help with information collection and evaluation * advice on supporting students through examinations * examples and case studies to illustrate how the strategies described work in practice Packed with photocopiable resources that can be adapted to suit individual students needs, this book is essential reading for teaching assistants that want to help their students on the autism spectrum to reach their full potential.
