

The Turn to the Native: Studies in Criticism and Culture

By Krupat, Arnold

Bison Books, 1998. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: The Turn to the Native is a timely account of Native American literature & the critical writings that have grown up around it. The author considers racial & cultural "essentialism," the ambiguous position of non-Native critics in the field, cultural "sovereignty" & "property," & the place of Native American culture in a so-called multicultural era. Chapters follow on the relationship of Native American culture to postcolonial writing & postmodernism. The author comments on the recent work of numerous Native writers. The final chapter, "A Nice Jewish Boy among the Indians," presents the author's effort to balance his Jewish & working-class heritage, his adherence to Western "critical" ideals, & his ongoing loyalty to the values of Native cultures.

Reviews

This book might be worthy of a go through, and a lot better than other. it had been writtern really properly and helpful. You may like just how the author write this publication.

-- Prof. Mattie Beatty

This is the finest publication we have read through right up until now. Better then never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.

-- Dr. Gabriella Hayes
