Reviews

An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

New World Publishing. Paperback. Condition: New. 176 pages. Dimensions: 8.8in. x 6.0in. x 0.5in. There is a quiet revolution happening in our time: the emergence of microfarms on tiny acreages that achieve astounding yields of organic produce and provide a better-tasting alternative to the products of big agri-business. Micro eco-farmers across the nation are profiting from small acreages to small-town backyards. Their livelihoods restore the planet while creating an abundance of healthy products produced in very small spaces. Micro Eco-Farming details how the new micro eco-farmers succeed on mini-farms of from one to five acres, how they start with nothing, what traits they share, and what secrets they know. In addition to presenting close-ups of those who are actually earning a full-time income for at least one adult, Micro Eco-Farming also provides a treasury of what you can grow, what farming methods you can use, and how the farmers reach their markets in surprisingly creative, new ways. The book outlines the emerging new sustainable production methods and distills the methods that have increased production on small ground from double to up to 40 times that of conventional growing. Hundreds of real-life examples are presented with ideas, resources and methods for all who aspire to create their own micro eco-farm: from backyard gourmet restaurant gardens, homegrown organic spa products, u-gather nut groves, front-yard cut-flower stands, heritage rose farms, childrens and holiday farms, urban greenhouses, farm and cottage industry partnerships, herbs and flowers for healing, connoisseur apple orchards, ethnic personal chef gardens, old-fashioned farm festivals, native and wild edible farms, to mail-order farm crafts and more. Finally, although the new micro eco-farmers usually achieve their dreams of economic independence, there is also the understanding as well that success includes something greater than financial profits. Micro Eco-Farming invites you share the eco-farmers dream of...
