OH MY GENETICS OF DIVINITY

Genetics of Divinity, United States, 2012. Paperback. Book Condition: New. 226 x 154 mm. Language: English . Brand New Book ***** Print on Demand *****.EXISTENCE is governed by a very specific code of Eternal Consciousness that was first instituted and put into application even before the Universe and humanity as we know it came to be. This natural code of the Genetics Of Divinity is hence ineffective to operate and enable your life to flourish. However, when this code is reactivated from your subconscious mind and allowed to re-surface into your conscious mind, your life experience would begin to transform...
