After all, nothing could have been weirder than the werewolf curse and plotting pirates he had to face the summer before! Or at least that's what Stanley thinks; but he has a lot to learn about Cramdon Rock, especially after accidentally bringing some dead pirates back to lifeones that make the previous pirates he faced look like cuddly puppy dogs and ones that are trudging across the arctic determined to find a magical medallion in Stanley's house. The only person who can save him is his dead great-uncle Bartholomew, which is a little tricky considering he's,well, dead. Oh, and did we mention headless? With the help of a talking stuffed fish and a new friend named Daisy, Stanley sets out to find his great-uncle's head, stop the pirates, and win over some new readers in this second funny and spooky installment of a thrilling new series.
