# GUIDE TO FORENSIC PATHOLOGY

CRC Press, 1998. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Both fascinating and practical, this book explains everything from who the experts are in death investigation and what their roles are, to how effective testimonies are presented in court. It devotes a separate section to the importance of forensic DNA testing. With numerous photographs, case studies, frequently asked questions, and a medical terminology glossary, this guide provides a concise overview of forensic pathology...
