Reviews

It is one of my personal favorite pdf. Of course, it really is play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Nicholas Ratke)

THE LEMON TABLE

Random House USA Inc, United States, 2005. Paperback. Book Condition: New. Reprint. 201 x 129 mm. Language: English . Brand New Book. In his widely acclaimed new collection of stories, Julian Barnes addresses what is perhaps the most poignant aspect of the human condition: growing old. The characters in *The Lemon Table* are facing the ends of their lives some with bitter regret, others with resignation, and others still with defiant rage. Their circumstances are just as varied as their responses. In 19th-century Sweden, three brief conversations provide the basis for a lifetime of longing. In today's England, a retired army major heads into the city for his regimental dinner and his annual appointment with a professional lady named Babs. Somewhere nearby, a devoted wife calms (or perhaps torments) her ailing husband by reading him recipes. In stories brimming with life and our desire to hang on to it one way or another, Barnes proves himself by turns wise, funny, clever, and profound a writer of astonishing powers of empathy and invention.
