Maddie was blown away when she found out about the secret of the stars! From that day on, life would never be the same. The Secret of the Stars is the first book of a series that aims to teach children how to be happy. The series A fun way of learning how to be happy consists of several books, each with a simple and fun story, involving situations to which children can easily relate to. Each story has a moral that is in alignment with core values that promote a better relationship with life's everyday challenges and help children develop skills that will empower them to be their happiest-self as they grow up into adulthood. Reviews for The Secret of the Stars: Just loved it! We all need that positive outlook on life. A very enjoyable read that kids will love too - either to read themselves or to be read to. - P. Gilbert - Primary School Teacher A short story, easy-to-read, which encourages discussion on emotions, relationships, friendships and hurdles faced as a young child. Very good for...
