Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When you look in the mirror, what do you see? Is it a worthless pound of flesh - or a priceless child of God? Many of us equate our worth to the successes we experience and feel insignificant if we fail to accomplish what society values. But, what if there were more to your life than the race to collect as many accolades as possible? What if you and I were created for a far greater purpose? What if you were far more valuable than you realize? What if, you were wrong about you? In this ever-changing world where standards are low and pressures are high, our priority should be to identify with Jesus Christ - the exemplar of love, patience, and self-control, sent to earth by God to save mankind while modeling how we should live. What If You re Wrong About You? challenges the popular misconception of self-sufficiency and offers an alternative source in which to place our trust and hope - the most reliable source mankind has ever known! God calls us to submit our lives to Him for His glory and our benefit. That requires us to understand His love for us, our purpose on earth and how to begin living for the One that died for us. Open your hearts and minds on this reading quest, and witness your life change forever! Get ready to finally be right about you!.
