

## Popular Culture: An Introduction

Filesize: 6.09 MB

### **Reviews**

*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*  
*(Mrs. Josiane Collins)*

## POPULAR CULTURE: AN INTRODUCTION

New York University Press, United States, 1999. Paperback. Book Condition: New. New.. 228 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From Madonna and drag queens to cyberpunk and webzines, popular culture constitutes a common and thereby critical part of our lives. Yet the study of popular culture has been condemned and praised, debated and ridiculed. In *Popular Culture: An Introduction*, Carla Freccero reveals why we study popular culture and how it is taught in the classroom. Blending music, science fiction, and film, Freccero shows us that an informed awareness of politics, race, and sexuality is essential to any understanding of popular culture. Freccero places rap music, the *Alien* Trilogy and Sandra Cisneros in the context of postcolonialism, identity politics, and technoculture to show students how they can draw on their already existing literacies and on the cultures they know in order to think critically. Complete with a glossary of useful terms, a sample syllabus and extensive bibliography, this book is the concise introduction to the study of popular culture.
