Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Sir Walter Raleigh In this short life of Sir Walter Raleigh the attempt is made to offer to those lacking leisure or inclination for the study of the long and exhaustive biographies which exist, a sketch of a brilliant historical figure. Within so small a compass it is obvious that much has necessarily been omitted which might fitly claim a place in a more elaborate and ambitious work, the selection of facts or episodes being determined rather by the amount of light thrown by them on the personality of the central figure than by their national or general importance. It is however hoped that nothing has been left out which is essential to the comprehension of the character of England's great sea-captain, or of the spirit in which his work was performed. Amongst later writers I have been principally indebted to Mr. Edwards Life, with its volume of collected letters, and to Mr. Stebbing's biography; while Major Martin Hume's more recent researches amongst Spanish archives furnish additional important information with regard to the intrigues to which Raleigh's ultimate ruin was largely due.
