Reviews

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Valentin Hane MD)

WE NEVER ASKED FOR WINGS (MAIN MARKET ED.)

Pan Macmillan. Paperback. Condition: new. BRAND NEW, We Never Asked for Wings (Main Market Ed.), Vanessa Diffenbaugh, How far would you go for your children? Would you lie for them? Flee with them? Let someone else mother them if you thought they would do a better job? As a single parent, Letty does everything for her two children - apart from raise them. Being a mother terrifies her more than she can admit, and so she's always let her mother take that role. When Maria Elena ups and leaves, however, Letty has to confront her fears and become the parent she doesn't think she can be. Even as she tries to give her children a future, Letty's teenage son, Alex, struggles to forgive his mother for choices she made in the past. But he and Letty are not so dissimilar, and both are prepared to risk everything for those they love. Honest and compelling, We Never Asked for Wings is about family; it's about the decisions we take, the mistakes we make, the people we trust, and, above all, how - and where - we find love.
