Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Report of the Surveyor to the Governor of the Territory of Hawaii: For the Year Ending December 31st, 1900 Mr. J. S. Emerson, after examining and putting into proper form the records of the triangulation of Hawaii, left for that island May 2zud, for the purpose of identifying and re-mark ing the remainder of the original trig. Stations in the districts of Hilo and Hamakua, which were first occupied twenty years ago. Since then a number of sugar plantations have been started, and many changes have been made in those districts. In several cases the concrete posts marking the stations have been ploughed up, and in some cases the marking stones have been thrown over precipices. Still, many of the underground marks, generally copper triangles, were found where they had been buried in 1881. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
