TWO WANDERING ALBATROSS MAKE A DIFFERENCE IN THE WORLD SECOND EDITION: INSPIRATIONAL

Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a story based on true facts about a real hero Wandering Albatross who was out at sea flying near a US NAVY Flag ship called the USS Juneau LPD 10. The USS Juneau LPD 10 was on a routine training mission at sea when the Wandering Albatross was struck and became a casualty. The captain of the USS Juneau LPD 10 was not happy with the death of the albatross because it is bad luck for sailors to do such things and the captain appropriately fined and penalized the errant naval personnel who killed the albatross. Over three decades later Laurel decided to pay tribute to this Wandering Albatross Who died needlessly out at sea. While Laurel was investigating the Wandering Albatross for her YA book, she made some discoveries that stunned and shocked her beyond belief, and propelled her into further investigation and study of the subject. Laurel knew she had to get busy fast to write about it so she could share it with the world so that the great bird would not be lost for all time. This bird not only represents fortune out at sea for sailors, it is a bird of such great magnificence, that it is a global emblem of peace and fortune for earth itself in many ways. It must not be permitted to go extinct, for if it is, what will be permitted to go next, and who will go after that? Meet Alba and Alban, two Wandering Albatrosses, young and brave albatrosses who are different than any...
