Excerpt: . . . Mr. Hill: I kept track one year and counting the mens time, including all the work, at 1. 25 a day, and the team at 1. 00, engine, 4. 00 a day, it cost 66 to put in 185 tons. The Chairman: I have kept track for four years. I have a square silo and I am going to build a round one this year. I count the land 5. 00 an acre before we begin to do anything, 1. 00 a day for the team, 1. 00 a day for the men, and it cost us one year 96 cents a ton in the silo. The next year it cost 1. 15 in the silo and that is the highest it has cost us. The chair appointed the following gentlemen as a committee on resolutions: H. C. Adams, George H. Buckstaff, W. F....

### Reviews

*This is the finest publication we have read through right up until now. Better then never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.*

*Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*
