Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Llewellyn Terry)

WOODTLI

Gestalten Jan 2001, 2001. Taschenbuch. Book Condition: Neu. 244x226x22 mm. Neuware - Martin Woodtli's works stand out in the category of graphic design. Woodtli exhausts the manifold possibilities that computer technology, print techniques and colors offer. He unconventionally uses 3D-software to create dynamic, extremely detailed, constructed and colorful 3D-graphics. Combined with multilayered vector graphics/colors and presented isometrically, Woodtli's unique aesthetics and very own microcosm speak their own experimental and futuristic language. 192 pp. Deutsch.
