He firmly believes that while our earnings show how we make a living, our contributions to the society show how we make a life. A little about what this book is all about - For me, life had always been a game of choices. It is a game of perceptions that we draw everyday within our minds and their associated outlook. To some, life has always been half-full while to others; it has been half-empty. Through this book, I can guarantee that one can easily solder wire the brain to look only for the half-full side that our life has to offer. It is not a book of DOs and DONTs, neither it is some kind of a rulebook nor does it unveil the secret recipe of that magic potion we had been searching for years. The book, in reality, is a beautiful compilation of...
