Violinworks Book 1 + CD: A comprehensive method for the older beginner

By Ros Stephen

Oxford University Press, United Kingdom, 2016. Sheet music. Condition: New. Language: English . Brand New Book. Violinworks, in two volumes, is a comprehensive violin method for older beginners and improvers. Book 1 takes students carefully from the very first steps to around ABRSM Grade 1 standard, and book 2 continues up to around ABRSM Grade 3 standard. The approach suits self-taught violinists as well as those who have teachers, and emphasizes the importance of good habits from day one, of using your ear, and of always aiming for the best sound. Each volume contains a wide selection of repertoire, plus detailed descriptions and photos to demonstrate correct playing positions. The accompanying CD includes performance tracks, with piano, string quartet, or band backings, plus aural exercises and downloadable PDFs of piano accompaniments. There are supporting video clips and additional resources on a dedicated website, making Violinworks a complete resource for anyone learning or returning to the violin.

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).
