

Divination - Dowsing Your Sub-Conscious (Paperback)

By Daniel Loeb

Lulu.com, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Divination - Dowsing your sub-conscious mind, teaches you how to gain information from your sub-conscious mind through Ideomotor Response, Tarot Cards, and Palmistry. Pendulum and Dowsing rod construction and use are also covered. Along with explaining how these processes work the author also covers the moral, ethical, and religious aspects of divination. This book is a valuable resource for parents who find their children experimenting with the occult and wish to have enough information available to have a rational debate. This book contains a thorough Bible study on divination providing the interested party with a complete understanding of the techniques and the Biblical view of practitioners. Dream interpretation and prophecy are also covered to explore the differences between divination, revelation, and personal intuition. Learning to use your intuition successfully can be a valuable tool in your life, but along with it comes additional responsibility.

Reviews

The best publication i actually study. I actually have study and so i am confident that i am going to likely to study once more yet again later on. You will not sense monotony at at any moment of your respective time (that's what catalogs are for relating to if you ask me).

-- Ernest Bergnaum

The most effective publication i ever study. I am quite late in start reading this one, but better then never. You wont sense monotony at whenever you want of your time (that's what catalogs are for concerning in the event you ask me).

-- Prof. Erin Larson I
