Alphascript Publishing Jan 2010, 2010. Taschenbuch. Book Condition: Neu. 220x150x7 mm. Neuware - HSBC Holdings plc is a public limited company incorporated in England and Wales in 1990, and headquartered in London since 1993. As of 2009, it is both the world's largest banking group and the world's 6th largest company according to a composite measure by Forbes magazine. Hong Kong served as the bank's headquarters until 1992 when it was forced to move to London as a condition of completing the acquisition of Midland Bank. Today, whilst no single geographical area dominates the group's earnings, Hong Kong still continues to be a significant source of its income. Recent acquisitions and expansion in China are returning HSBC to part of its roots. HSBC has an enormous operational base in Asia and significant lending, investment, and insurance activities around the world. The company has a global reach and financial fundamentals matched by few other banking or financial multinationals. 120 pp. Englisch.
