

Menace from the Deep (Paperback)

Filesize: 2.99 MB

Reviews

The publication is great and fantastic. It really is simplistic but surprises within the 50 % from the publication. Your daily life span will be change when you comprehensive reading this article book.
(Althea Aufderhar)

MENACE FROM THE DEEP (PAPERBACK)

Scholastic US, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. A brand-new action-packed series from Michael P. Spradlin. Each book covers a genetically engineered super predator wreaking havoc on the environment. Emmet Doyle is not in the best mood when he arrives in Florida City. His father is a wildlife biologist, and has been summoned to the Everglades, dragging Emmet along with him. Though still in mourning from losing his mom a year ago, Emmet's trying hard to keep a good attitude. Upon their arrival, however, things quickly get weird. Dr. Rosalita Geaux, the Park Superintendent, wastes no time in revealing the reason she called Emmet's father to Florida. A strange creature was recently found dead in the park, and upon seeing it, it becomes clear to everyone that this is not a native species. This is man-made. Deep in the swamp, someone has been experimenting to create a new breed of apex predator. And they're about to set them loose.
