

Molecular Biology: A Project Approach (Paperback)

By Susan J. Karcher

Elsevier Science Publishing Co Inc, United States, 1995. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This course manual instructs students in recombinant DNA techniques and other essential molecular biology techniques in the context of projects. The project approach inspires and captivates students; it involves them in the scientific experience, providing continuity to laboratory bench time and an understanding of the principles underlying the techniques presented. Molecular Biology is a must for any department, operating under budgetary constraints that offers or plans to offer a course in molecular cloning.
