Filesize: 8.56 MB

Reviews

Very beneficial to all category of folks. I really could comprehend every little thing out of this created e publication. I found out this book from my dad and i encouraged this ebook to discover.

(Maia O'Hara)

NAT GEO KIDS: HUMAN FOOTPRINT (PAPERBACK)

National Geographic Society, United States, 2011. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. What is your human footprint? Well, it s 13,056 pints of milk, 28,433 showers, 12,888 oranges, 14,518 candy bars, and \$52,972 worth of clothes, all in one lifetime. Makes you want to step more lightly on the planet! Perfectly timed for Earth Day, this book doesn t preach or judge, but simply shows kids in an exciting, visual way how humans interact with the environment and how we can lessen our impact. Astonishing photography captures the full picture of consumption, documenting all the diapers you wore as a baby, the bread you ll eat in a lifetime, and the cans you ll recycle, based on national averages. Tying in with a National Geographic Channel production, Human Footprint is colorful and fun yet also manages to be a powerful tool for kids to visualize the dimensions of consumption.
