By William Crookes

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Chemical News and Journal of Physical Science, Vol. 19: A Journal of Practical Chemistry in All Its Applications to Pharmacy, Arts, and Manufactures This volume terminates with the five hundredth number of the Chemical News, and we may, perhaps, at this juncture, not unlitly say a word or two concerning our enterprise. The reader cannot fail to have observed that we have recently made several important improvements in the Chemical News. We have striven to make it not only a chemical newspaper, but a standard work of reference. Besides the original and critical papers proper to a journal, we are now giving, under the head of Chemical Notices from Foreign Sources, the titles of all the contemporary chemical papers published throughout the world, and abstracts of the more important of them. Moreover, the Index has been very carefully compiled, and made much more copious and available for ready reference. We may fairly state that the two half-yearly volumes of the Chemical News represent essentially, in extent of material and facility of reference, the Fahresberichte...
