

Dreaming in the World's Religions: A Comparative History (Paperback)

Filesize: 6.16 MB

Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Adell Lubowitz)

DREAMING IN THE WORLD S RELIGIONS: A COMPARATIVE HISTORY (PAPERBACK)

DOWNLOAD

New York University Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. From Biblical stories of Joseph interpreting Pharaoh s dreams in Egypt to prayers against bad dreams in the Hindu Rg Veda, cultures all over the world have seen their dreams first and foremost as religiously meaningful experiences. In this widely shared view, dreams are a powerful medium of transpersonal guidance offering the opportunity to communicate with sacred beings, gain valuable wisdom and power, heal suffering, and explore new realms of existence. Conversely, the world s religious and spiritual traditions provide the best source of historical information about the broad patterns of human dream life Dreaming in the World s Religions provides an authoritative and engaging one-volume resource for the study of dreaming and religion. It tells the story of how dreaming has shaped the religious history of humankind, from the Upanishads of Hinduism to the Qur an of Islam, from the conception dream of Buddhas mother to the sexually tempting nightmares of St. Augustine, from the Ojibwa vision quest to Australian Aboriginal journeys in the Dreamtime. Bringing his background in psychology to bear, Kelly Bulkeley incorporates an accessible consideration of cognitive neuroscience and evolutionary psychology into this fascinating overview. Dreaming in the World s Religions offers a carefully researched, accessibly written portrait of dreaming as a powerful, unpredictable, often iconoclastic force in human religious life.
