## THE ULTIMATE COLLABORATION SYNERGY GUIDE: HOW TO BRING OUT THE BEST PERFORMANCE AND RESULTS FROM EVERYONE! (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.When it comes to running a company or other organization having open lines of communication among your team is not only desired if you want to see great results, it is required. While you may have worked on collaboration skills with your employees before, the results may have been confusing and futile in attempt. This is due to the objective being unclear from the beginning. You see, when conditioning your team regarding how to consistently contribute and produce as a harmonious unit is about more than getting these individuals to sit down together, get along, and cooperate in working towards project goals. While those elements are vital to improvement in this area, true collaboration will make strides toward the desired end result desired. If the collaborative efforts which are being made are demonstrating a backward motion or simply stagnate, what is taking place has nothing to do with positive, perpetually productive collaboration. True skills of collaboration, when practiced in a unified manner by all involved, will be controlled, cooperative, rich, and productive. ===== TABLE OF CONTENTS =====
