By Sterne, Laurence / New, Joan

The text and notes of this volume are based on the acclaimed Florida Edition, with a critical introduction by Melvyn New and Christopher Ricks's introductory essay from the first Penguin Classics edition. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series...
