Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

TRAVELING COMPANIONS: FEMINISM, TEACHING, AND ACTION RESEARCH

Praeger. Hardcover. Book Condition: New. Hardcover. 224 pages. Dimensions: 9.6in. x 6.3in. x 0.9in. This book explores the ways in which a diverse group of feminist and participatory action researchers experience, create meaning, and respond to the challenges of engaging in collaborative processes of reflection, action, and change. While headed in similar directions, rarely have feminist researchers and participatory action researchers acknowledged each other as collaborators with mutually important contributions to the journey. Through the work presented in this volume, the contributors hope to influence feminist scholarship to be more participatory and action-oriented, and participatory action research to be more grounded in feminist theories and values. This book has two distinct yet interrelated and intertwining aims. First, it creates a space for a diverse group of educators, researchers, and scholars to grapple with the multiple and complex issues that are threaded throughout feminist and action research. Second, it seeks to examine how action research and feminist research can complement each other in developing strategies for engaging in collaborative research that is rooted in activism and productive change. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
