Candlewick Press, U.S., United States, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Want to grow what you eat and eat what you grow? Visit this lively, flourishing school-and-community garden and be inspired to cultivate your own. At an elementary school in Santa Fe, the bell rings for recess and kids fly out the door to check what's happening in their garden. As the seasons turn, everyone has a part to play in making the garden flourish. From choosing and planting seeds in the spring to releasing butterflies in the summer to harvesting in the fall to protecting the beds for the winter. Even the wiggling worms have a job to do in the compost pile! On special afternoons and weekends, neighborhood folks gather to help out and savor the bounty (fresh toppings for homemade pizza, anyone?). Part celebration, part simple how-to, this close-up look at a vibrant garden and its enthusiastic gardeners is blooming with photos that will have readers ready to roll up their sleeves and dig in. Back matter includes suggestions for further reading and online resources.
