

Essentials of Law and Ethics for Pharmacy Technicians (3rd Revised edition)

By Kenneth M. Strandberg

Taylor & Francis Inc. Hardback. Book Condition: new. BRAND NEW, Essentials of Law and Ethics for Pharmacy Technicians (3rd Revised edition), Kenneth M. Strandberg, As the practice of modern medicine becomes more and more pharmacology dependent, the role of pharmacy technicians is becoming more complex. This is true in terms of the medications they are required to deliver, as well as the legal responsibilities and ethical considerations that come with administering those medicines. Essentials of Law and Ethics for Pharmacy Technicians, now in its Third Edition, is designed specifically to provide technicians with the legal and ethical information they need to perform their jobs with absolute confidence. It covers all U.S. federal laws regarding pharmacy practice as well as other laws and regulations and their applicability to pharmacy technicians. It also addresses current issues such as herbal medications, privacy laws and rules, and drug pedigree. A unique section on ethics offers extensive discussion points and cases. Appendices provide extensive information on practice regulation in all states. Fully revised to address the latest procedural, ethical, and technological developments in this rapidly changing field, this third edition of a bestseller has been edited for clarity and provides a wealth of new material,...
