

## The Bamboo Chest 2nd Edition: An Adventure in Healing the Trauma of War

Filesize: 3.02 MB

### **Reviews**

*Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*(Mrs. Bridgette Rau MD)*

Rigel Media, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From Publishers Weekly Haunted by childhood memories of Saigon during the 1968 Tet Offensive, Frederick Cork Graham hatches a harebrained scheme in the spring of 1983. He withdraws from his first year in college and uses his school funds to purchase photography equipment and a plane ticket for Thailand. After harrowing events in search of a first big story along the Laotian border, Graham takes to sea and is imprisoned by the Vietnamese. He answers his interrogators accusations of spying by telling them he arrived in Bangkok to start a career as foreign correspondent, and that Richard Knight, a British comedy actor, invited him on the voyage to report on the expedition in search of Captain Kidd's treasure. The Vietnamese can't believe such a farfetched story, and threaten him with a firing squad if he doesn't admit the truth. In a gripping narrative offering a clear sense of time and place using chapters peppered with quotes from media and embassy communications, Graham tells an enriching coming-of-age tale, probes the mysteries of post-traumatic stress disorder (PTSD), and digs deep into the secrets, political intrigue, and blunders of what was an international incident recorded on the front-page of newspapers around the world. 45,000 first printing; author tour. 10-city author tour.
