Bavarian Crochet Learn to do Bavarian Crochet With 5 Amazing Products Crochet is a hobby that has been around for generations. Odds are, your mom knows how to crochet, your aunt knows how to crochet, your grandmother knows how to crochet, and her grandmother knows how to crochet. It s just one of those hobbies that has been around for as long as anyone can remember, and one that s going to continue to grow and change with the times, and remain a constant as the years continue to go by. But, some grow bored of doing the same old things over and over, and they begin to wish for new and exciting changes to their craft. Single and double crochet are fun to do, but when it comes to using them to make everything, it can get boring after a while. You want to do something that is new and exciting. Something that is going to grow and change. What better way to do that than with a new kind of stitch? You already know how to do so many, but with something new and exciting, you can open the door to creating a whole range of new projects, and spice up the projects you already know how to make. There s no end to the ways you can express yourself with crochet, and when you know how to do more stitches, you are able to broaden the level of what you can do, instantly. Bavarian crochet is a stitch that has been around for years, but not many people know how to do it. The become intimidated, they think it s too hard, and they want to...
