If Assana looked up the word nymphomaniac in the dictionary, she might expect to find her own image in place of the definition, especially after meeting the immortal red dragon, Gavra. The timing couldn't be worse for her to discover the mate that Fate intended-the one she'd be willing to let go of her tightly bound hold on her deepest sexual desires for-the one who literally drives her mad with lust. Now that she needs her sanity more than anything to regain control of her race's home from her insane mother, she's faced with the inconvenient desire to lose control and be that primal nymph she keeps locked inside. Thank Gaia for Silas. The handsome young ursula male is blessed with magic that can calm the lust-filled madness threatening to consume Assana's mind. She needs him more than ever now that she has no choice but to spend her days in close proximity to the dragon she desires, yet doesn't dare touch lest she give in to that ancient, primal need all nymphaea are born with. For red dragon Gavra, he can only put off having the beautiful nymph maiden for so long, or the ursula male who Fate has promised him. Once Assana's crazy mother is out of the way, nothing will stop Gavra from claiming and marking them both as his.
