Carson, Author Tim Carson has been traveling the country, helping singers of all types learn to present themselves and their music in a way that communicates the emotion in the song, the heart behind the lyrics, and the power behind the voice. He helps people understand their voice as an instrument, like any other, and that singing is truly a learnable skill. At a wide range of conferences and sessions, the principles presented in "The Worship Vocal Book" have proven to produce better singers, time and time again. The techniques in this book draw on four-hundred years of classical, foundational vocal instruction and yet they are fresh. Tim presents them in a way that is different from any other method available today, particularly as it pertains to the contemporary worship singer, leader, songwriter, or performer. The information is presented in a way that is easy to follow, and it works!.
