Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A revised and updated edition of the personalized guide to Windows 10 written by technology expert William Stanek. Learn the new Microsoft operating system using this hands-on guide to mastering laptops, tablets, desktops and other computing devices running Windows 10. Whether you are a casual user, an IT professional or just someone who wants to learn how to use the operating system, you can learn everything you need to conquer the essentials by reading this book. Inside, you ll find practical advice and step by step procedures, documented examples and much, much more. One of the goals is to keep the content so concise that this personalized handbook remains compact and easy to navigate while at the same time being packed with as much information as possible. When you start working with Windows 10, you ll see at once that this operating system is visually different from earlier releases of Windows. What won t be readily apparent, however, is just how different-and that s because many of the most significant changes to the operating system are under the surface. These changes affect the underlying architecture, not just the interfaces. Click Look Inside and discover this hands-on computer handbook. Scroll to the top of the page and select the Buy Now button.
