Teachers' College Press. Paperback / softback. Book Condition: new. BRAND NEW, How to Innovate: The Essential Guide for Fearless School Leaders, Mary Moss Brown, Alisa Berger, As the authors state, Without rethinking how, what, when, where, and why we are teaching, technology will merely be an expensive way of making the existing system faster and flashier. In How to Innovate, Mary Moss Brown and Alisa Berger founding co-principals of the NYC iSchool apply their extensive on-the-ground experience to demonstrate a radically different approach to school transformation. They introduce a scalable model of how schools can and should redefine themselves to better meet the needs of 21st -century students. Using a framework built around four critical levers for school change: curriculum, culture, time, and human capital the NYC iSchool model merges the teaching of big ideas and valuable skills with the realities of accountability, academic preparation, and adolescent development. The book includes more than 20 activities that will help educators begin the process of school transformation, whether they want to focus on a single program, one area of change, or engage in a full-scale whole school improvement effort. This accessible, practical, and inspiring resource is designed to be used over and over again, in any context, despite the constantly changing climates in which schools operate.
