## The Alchemists: Inside the secret world of central bankers (Paperback)

By Neil Irwin

Headline Publishing Group, United Kingdom, 2013. Paperback. Condition: New. Trade Paperback.. Language: English . Brand New Book. When the first rumblings of the coming financial crisis were heard in August 2007, three men who were never elected to public office suddenly became the most powerful men in the world. They were the leaders of the world's three most important central banks: Ben Bernanke of the U.S. Federal Reserve, Mervyn King of the Bank of England, and Jean-Claude Trichet of the European Central Bank. Over the next five years, they and their fellow central bankers deployed trillions of dollars, pounds and euros to try and contain the waves of panic that threatened to bring down the global financial system. Neil Irwin's *The Alchemists* is both a gripping account of the most intense exercise in economic crisis management we've ever seen, and an insightful examination of the role and power of the central bank. It begins in Stockholm, Sweden, in the seventeenth century, where central banking had its rocky birth, and then progresses through a brisk but dazzling tutorial on how the central banker came to exert such vast influence over our world. It is the story of how these...
