## HOW THE WIND DEMON BEEN SAVE THE WORLD (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from HOW THE WIND DEMON BEEN SAVE THE WORLD Terra Earth is sleeping now in Father Sun s warm embrace. Her Magnetosphere bends against the Solar Wind like a dragon s armored back, whiskers and tail sweeping outward, beyond the orbit of the Tombstone Moon; her great claws grip the planetary poles and down them elementary particles flow to burn in the upper atmosphere like curtains of cold fire. Terra knows the meaning of separation, of death. Even now her tail brushes across the face of her dead sister. There is no quickening response anymore, only the faint magnetic ghost of fair Luna s long departed soul, and her dusty skull orbiting silently in space. In this novel of magical realism, the Wind Demon makes a valiant attempt to save the world and everything in it from humanity s twin cancers of environmental hubris and endless warfare. His allies include homeless children, bag ladies, certain tribes on the Molecular level, an ancient samurai sword, post-apocalyptic trashcan gladiators, an artist and part-time witch, a cook. His adversary is a corporation of elite players in media, military, government and industry bent on building a secret, high-risk--and highly profitable--hot fusion power plant in lower Manhattan. The Wind s battleground is a cordoned-off section of the Lower East Side now dubbed District of Containment and currently used as an indefinite holding area for dissidents and enemies of the state. I mean, figured Sideswipe, you take too much shit away from people, they got nothing to lose, am I right? Pretty soon law an order, even civilization as we know it-it don t matter to em no more.
