

## Liberty under Law: American Constitutionalism, Yesterday, Today and Tomorrow (Hardback)

By Kenneth L. Grasso, Cecilia Rodriguez Castillo

University Press of America, United States, 1997. Hardback. Book Condition: New. 236 x 168 mm. Language: English . Brand New Book. In recent decades, we have witnessed the emergence of ongoing public arguments about the intellectual and cultural foundations of our constitutional system; the norms governing constitutional interpretation and the proper role of the judiciary in this system; and the proper interpretation of certain key provisions of our fundamental law. Seen in this light, constitutional controversies of the type we are experiencing today threaten to engulf our political system in a crisis of the first magnitude. These controversies are the subject of these essays. To the extent that governmental actions are perceived by large numbers of Americans to lack constitutional warrant the result can only be the progressive erosion of the moral authority of our constitutional system. The book is divided into three parts; the contributors in the first section address the question of the intellectual foundations and cultural preconditions of the American constitutional commonwealth; in the second they discuss the ongoing debate between the proponents of an originalist approach to constitutional interpretation and their nonoriginalist critics; and in the final section they examine several contemporary controversies over the meaning...

### Reviews

*It is a single of my personal favorite publication. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Mr. David Friesen IV**

*This publication is wonderful. Better then never, though i am quite late in start reading this one. I am very happy to tell you that here is the best book we have read through inside my personal daily life and could be he finest pdf for actually.*
