Crossroad Press, United States, 2015. Paperback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.A modern comic adult fairy tale with an ensemble cast of Cinderellas Instead of a kingdom by the sea, our story takes place in and around a residential hotel by the sea. The architecturally eclectic Briers Hotel is situated on Leech Beach, a not particularly inviting beach, being often fog-bound and always scruffy. But it s the perfect setting for our Cinderellas, male and female, who put up with the scruffy-ness of life while striving to make it through their various personal seaside fogs. Theater; art; antiques; old movies; sex; more sex; death; fast and slow cars, chicken shit and cow poop; military bearing and erotic emissions-not to mention the wicked witch, the sea serpent by the sea shore, the village ogre, the village idiot, and several Prince Charmings-all figure into this merry tale with a multitude of happy endings.
