Random House USA Inc, United States, 2007. Paperback. Book Condition: New. Reprint. 201 x 132 mm. Language: English . Brand New Book. When Laura Bush moved into the White House on January 20, 2001, everyone wanted to know what kind of first lady she would be. Would she be like Mamie Eisenhower? Would she follow in Barbara Bush s footsteps? Would she be another Hillary Clinton? I think I ll just be Laura Bush, she would say. On Saturday, April 30, 2005, the world got a glimpse of what that meant when she pushed aside the leader of the free world and stole the show at the White House Correspondents Association dinner. Wearing a shimmering lime green Oscar de la Renta gown, Laura wisecracked that she was a desperate housewife married to a president who was always asleep at nine. Now, New York Times bestselling author Ronald Kessler draws back that curtain in the first biography of Laura Bush to be written with White House cooperation. Based on interviews with her closest friends and confidantes from childhood to the present, as well as family members and administration heavyweights like Condoleezza Rice and Andrew Card, Kessler paints a portrait of a woman who, even as she ascended to the heights of political fortune and...
