Rutgers University Press, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. Each chapter of this book focuses on a specific tree or group of trees and its relationship to both natural and human history, while exploring themes of community, memory, time, and place. Readers learn that colonial farmers planted marker trees near their homes to commemorate auspicious events like the birth of a child, a marriage, or the building of a house. They discover that Benjamin Franklin s Newtown Pippin apples were made into a pie aboard Captain Cook s Endeavour while the ship was sailing between Tahiti and New Zealand. They are told the little-known story of how the Japanese flowering cherry became the official tree of our...
