

Life's Painter of Variegated Characters in Public and Private Life, with Political Strokes on the Ticklish Times; . by George Parker, . the Second Edition, Printed for the Author.

Book Review

This is the finest publication we have read through right up until now. Better than never, though I am quite late in starting to read this one. It has been written in a remarkably easy way in fact it is only after I finished reading through this book that I basically altered me, affected the way I think.
